## How to fill in this form:

When we receive your application file, we will carefully read all fields and based on that we will assess your suitability to carry out an internship abroad, evaluate your experience and check concrete examples of your work so please add as much information as possible. Please note: When choosing your preferred placement and tasks, consider your current English level. If your English level is low companies may offer you internships and tasks adapted to your English level.

**Example:** *Marie is a Communication and Marketing specialist in France and she would love to do a work placement as Communication Specialist in a big agency in Liverpool, however, Marie's English level is basic, she doesn't understand questions, struggles to write and speak in English.
